

# BETHS VIP

Excellence - Community - Respect - Nurture

## MESSAGE FROM THE HEADTEACHER

Dear Parents, Carers,

The Easter break seems like a long time ago now, and the focus for this term is examinations, both internal trial exams for our Year 12 students, and public exams for students in Year 11 and 13. Like many schools it has been three years since we've held public examinations due to the pandemic. The MFL speaking exams started this week, and our Year 12 students (who started their examinations on Thursday 5 May) will be on study leave until Friday 13 May. Our Year 11 and Year 13 students will begin their exams on Monday 16 May. Year 11 students will start their study leave at the end of the school day on Friday 13 May and Year 13 will follow on Friday 20 May 2022.

I'm sure that they have been working hard on their revision, and I wish them every success.

Our school day trips have returned, and you'll find details of the student experiences in the VIP and on our school Twitter page. We will be looking at the return of residential trips for the next academic year. Whilst this may be disappointing for some to hear, this is mainly due to the restrictions in place and the staffing implications: risk assessments need to be carried and the required resources to keep the school running. We will send you more information once we have finalised the details.

@BethsGrammar

Beths Grammar School

@BethsGS

In previous VIP editions, we touched on our community awareness with students fundraising for charities. Our students are also encouraged to be aware of their environment, whether they are recycling, upcycling or learning about food wastage like our KS3 Eco club has recently.

Earlier this year we mentioned the football success of one of our Year 12 students who was selected for the England U18s and experienced what it was like to play for his country at international level. There is an article included in this VIP.

Please note that from Monday 9th May 2022, our West Gate will no longer be open for students to enter or leave school for safeguarding reasons. Students must come into East Gate (main school entrance) and 6th Formers must continue to sign in and out when they leave the premises.

We welcomed Ofsted into school on the 4th and 5th May and will share the findings once we are allowed to. The report has to be quality assured and factually correct before it is publicly released.

Finally, congratulations to our Year 11 Basketball Team for winning their final game against Folkestone this morning.

Kind regards,  
Richard Blyghton

# KS3 ECO- CLUB

## Eco Bytes: Food Waste Day

The 27th of April is Food Waste Day. This raises awareness for people to stop squandering good food. In the UK alone, 33% of family foods are going to waste. This adds up to over 9.8 billion tonnes a year. If consumers bought less, this would reduce food waste and save people money. Almost 1 billion people in the world are starving while huge amounts of food is wasted in wealthy countries. Potatoes, bread slices and apples can all be composted to help the gardens around the world. A lot of the food we waste is avoidable but a portion of is unavoidable such as tea bags, bread crusts and potato skins. For those who want to learn more, go to the

<https://www.stopfoodwasteday.com/en/index.html> website.

### A pie chart to show which foods are wasted the most (Kg)

# CLASSICAL CIVILISATION TRIP TO THE BRITISH MUSEUM

On Wednesday 27/4/22, both sixth form Classical Civilisation classes went on a visit to the British Museum, led by Mr Papakostas and Ms Harris. They toured the Enlightenment Gallery and the Ancient Greece & Rome wings, viewing all sorts of ancient artefacts ranging from vases and coins to the Parthenon marbles. They all thoroughly loved the experience, owing to the unique items they viewed and the relevance they had to the entire course they study for A-Level. Seeing the enjoyment the students got out of this trip for the second time, Mr Papakostas will be continuing this annually and eagerly awaiting for future students to join him!

# YEAR 9 MANDARIN EXCELLENCE PROGRAMME

Ni hao,

This term we travelled to China Town in London and the British Museum (China and South Asia exhibition). Firstly, the British Museum was fulfilled with wonder! This experience was amazing and upmost interesting. We were able to view spectacular historical monuments that had meaningful backgrounds. This really broadened my knowledge about the history of China. My personal favourite collection was the 20 dragon tiles as it looked beautiful. We really understood this experience through the help of our MEP worksheet. After this visit, we travelled to the well-known restaurant on China Town: Golden Phoenix. I really enjoyed their dishes, and if you were there, you could see all of us loving and enjoying the Chinese food! I loved the pork chops and sweet + sour chicken. After this scrumptious lunch, I got bubble tea which was extremely nice! Overall, this experience will be unforgettable and it was truly extraordinary! - **By Daron 9A**

# YEAR 9 MANDARIN EXCELLENCE PROGRAMME

Ni hao!

This term, we went on a MEP trip to the British Museum and Chinatown. The British Museum was brilliant and eye opening. There was plenty of unique items with lots of historical background. The experience was very pleasant and greatly thought through. We also did a MEP worksheet which was very enjoyable. Once we had completed our visit in the British Museum, we went to China Town and proceeded to go to a restaurant called Golden Phoenix. The dishes they served was splendid and we loved the challenging of using chopsticks. My favourite dish was the egg fried rice. After dining in the restaurant, we went to explore China Town and purchased items from each shop. There were lots of amazing and distinctive things to buy. Overall this experience was truly amazing and I would love to visit these places again. - **By Mikhai 9A**

# STUDENT SUCCESS

Following my selection for this year's U18 England Schoolboys squad, I have now competed in the four Centenary Shield games against Northern Ireland, Scotland, Republic of Ireland and Wales, winning two, drawing one and losing one. It has been an incredible experience and I was also fortunate to spend four days in February at a training camp at St George's Park where I captained the team in a friendly against Notts County's U19s winning 2-1.

I have even received a Panini sticker (see below) that each of the squad members now have, and at the Centenary Shield games I received my England cap for representing my country which has been an incredible honour.

- By Jack 12.2

# FRIENDSHIP BENCHES

Our staff are making full use of the new 'friendship' benches that have been placed around school to encourage people to sit and talk. They were bought with a grant from the Jack Petchey Foundation that Ms Brobbey won as part of her leadership award last year and, are for the use of all students around the site.

@BethsGrammar

Beths Grammar School

@BethsGS

# SILVER DUKE OF EDINBURGH

Well-done to all our year 11 students who attended the Silver Duke of Edinburgh training day last Saturday. In preparation for their expeditions later in the summer term, all students must undergo compulsory training. The day started with a health and safety briefing informing and educating our students about what they need to do in order to stay safe when out on expeditions. They then moved on to looking at first aid training. Later in the day we all went out to the school field to practice putting up a tent (which proved rather exciting for some!) and how to operate the stoves for cooking. All students seemed to enjoy the day. Below is a photo of one group who seem rather happy with themselves after successfully putting up their tent.

@BethsGS

# CAREERS

The Year 11 Junior Prefects Careers Team have prepared an amazing assembly for Key Stage 3 and Year 10.

Their excellent presentation covers so many topics, and is the culmination of their year thinking and learning about careers. As well as the importance of subject choices at GCSE and A Level, they've also highlighted how vital it is to develop hard and soft skills through extra-curricular activities. They've analysed the results of our Next Steps survey and shown how "in the world of careers your skills and qualifications are your passport – granting access to the far reaches of the world."

Ms Stevens and Mrs Blyghton are very proud of the effort that they've put into the presentation, and would like to thank them for their great contributions this year.

# CAREERS

## Can you help the Careers Team?

We're currently looking for companies to support in-person work experience placements for our students. Do you work for a company that accepts work experience students? Please complete our Short survey if you can help us.

Contact with employers is vital for students as they prepare for the transition from school to further education or employment, and as they explore career pathways. Work experience gives students an insight into the world of work and an opportunity to develop employability skills. The pandemic has meant that these opportunities have been restricted for students, so we're reaching out to companies who would be interested in being involved in current and future programmes.

**Many thanks for your help.  
The Careers Team**

# KEEPING YOUR CHILD SAFE ONLINE

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

## ONLINE CONTENT

### 10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

#### 1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

#### 2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

#### 3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

#### 4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

#### 5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

#### 6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

#### 7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

#### 8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

#### 9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

#### 10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
