MESSAGE FROM THE HEADTEACHER

This week we held three more Open Events for Year 6 students and their families and next week we are delighted to host at least one event every day in the build up to the end of term. Our Year 11 students have experienced the world of work this week in their chosen work experience environments. More information on this will follow from the Careers team.

Last month there was a multiple car crash in Sidcup which two of our Year 10 students, Mykolas M and George N, witnessed. Both students decided to act using their bikes to safely block access to the road from the high street, to prevent people from driving along and getting caught up in the accident. Both students received a Headteacher's Commendation for their service to the local community and upholding the school values in a noteworthy manner. Congratulations Mykolas and George.

Last weekend Mr Neylan, Senior Deputy Headteacher, ran the London Marathon for Crohn's and Colitis UK charity. Below is a little Thank you message from him.

“Thank you to parents, carers and students who kindly donated to Crohn's and Colitis UK. I have raised around £600 on the fundraising page and about £350 from collection buckets so far. Should you still wish to make a donation the fundraising page is still open:

<https://tcslondonmarathon.enthuse.com/pf/matthew--neylan>

A big well done to any parents and carers who ran on Sunday as well. Whether you participated, volunteered or spectated, it is a fantastic spectacle.

I was really pleased to have completed the marathon in under four hours – just, 3 hours 59 minutes and 6 seconds but, one of our former student's, Ross Braden, who finished 12th (out of 42 000 runners) in an astonishing 2 hours and 14 minutes. Well done, Ross!

**Have a lovely weekend,
Richard Blyghton**

INTERNATIONAL WEEK

Beths students had the opportunity to experience a fantastic week of activities organised by the MFL department and the Multicultural Society. The week started with a focus on the Polish language and students had the chance to learn basic greetings and cultural information. To provide students with a further cross-curricular focus, departments around the school included aspects of Polish culture in their lessons. For example, in English lessons, students learnt a series of words that we use in English that originate from Polish and their etymology. In Geography, students learnt specific facts about the population, capital city and geographical features of the landscape. In addition to this, students ate Polish food from the Canteen and the shack – Polish Goulash and Krokiety (Sauerkraut Croquettes). The Ciasto Jabłkowo Śmietankowe z Kremem was especially tasty – this is essentially Apple Sour Cream Cake with Custard, which the students really enjoyed the most!

INTERNATIONAL WEEK

Assemblies to all key stages were given by MFL staff regarding the link between working in a globalised world and the need to have the skill of an additional language. Employers are crying out for graduates who can speak one or more languages. The aim of the assemblies was to encourage students to continue with a language or even take up a new one, particularly important for our KS5 students who will be soon off to university and entering the world of work! Taking an existing language, brushing up on a language which has been put on hold or starting a new language as part of a joint honours degree alongside popular courses such as Law or Business is a fantastic way to set themselves apart from other candidates in a competitive international workplace. Some food for thought!

To focus on cultural awareness, during the week, students received a lesson on a cultural aspect of the language they are studying, for example, Year 8 Italian students learnt about the regions, cities and monuments of Italy. In French, Year 8 students learnt about Guadeloupe and other French speaking islands around the world and in Year 9, the lyrics by rapper MC Solaar were discussed. In Spanish, students learnt about the famous 'San Fermes' bull run festival and in Mandarin, they celebrated the Mid-Autumn Festival.

INTERNATIONAL WEEK

The food tasting events for year 8 across the week were an enjoyable experience for all involved! Students sampled the array of foods on offer – French cheeses, Spanish and Italian hams, cheeses and olives, German meats and Mandarin Bubble tea! Sampling these enjoyable gastronomic delights was aimed at students not only practising their language skills, but also engaging with trying new foods. The students engaged very bravely with this activity!

Lastly, the culmination on the last day!! The International Dress day was a resounding success. The diversity of international dress worn was impressive and students enjoyed asking each other about the culture of the countries they were dressed in. The MFL department and the Multicultural Society raised £512 for charity as well as having a thoroughly fun day! The chosen charity was WaterAid. It was a pleasure for the MFL staff and Multicultural society to team up for this fantastic event.

On Friday 30th September 2022, the MFL department and the multicultural committee worked together to host our annual International Dress Day. This year the students did not disappoint! We had students representing countries from all over the world, whether it be Africa, Asia, South America or even Caribbean countries, the amount of effort and creativity put into the outfits we saw was incredible, and highly appreciated.

Throughout the day the Multicultural Committee, Ms Brobbey and Ms Eluwa took photos of staff and students around the school.

Concluding the week of MFL assemblies, different cultured lunches and foreign food tasting in the MFL department.

Around £512 in donations was raised for Water Aid, which is an exceptional cause that provides water and hygiene education to those without access to them. To be able to access hygienic toilets and clean water is a Human right and should be deemed as the norm for every person on Earth. Many countries are unable to provide water and toilet infrastructure at the scale needed, affecting many vulnerable people in society. Those living in these areas can be seen as different and therefore denied access to these necessities. However, by contributing our donations we help to defend their rights and provide them with the opportunity to acquire these essentials

INTERNATIONAL WEEK

As an African female and Head of social media in the Multicultural committee, I was thrilled by the number of people who put together outfits to embrace their (as well as other people's) cultures. I want to thank not only the students with such innovative ideas, such as dressing up as a slice of pizza to represent Italy, but also the staff members who got involved. A special thanks to the Multicultural Committee who took time out to help with collecting donations, helping judge the best dressed competition, and the camera skills used to compile all the pictures and videos onto social media, gaining the cultural TikTok post 31,000 likes already.

I interviewed some of our sixth formers and here's what they had to say:

Farida - Year 13. "The dress is custom made and differs slightly from others as it is less decorated however there can be many different styles, colours and patterns of Afghan clothing. The necklace is made to replicate old silver Afghani coins, but it is not rare to get necklaces with real silver coins and the earrings are made of real silver. The people of Afghanistan in the past used to be very fond of silver as seen in our clothing items which, even now, continues to be a huge part of our rich culture and traditions. Our clothes originate from more than

Nissi- Year 13, Head of Podcasts. "My urhobo clothes mean a lot to me because I wore them at my sister's wedding and a lot of effort went into making it as it was made for my own measurements, making it special. It's also the only piece of clothing I own from my culture, which is very small, so I wanted to show it because not a lot of people see it and I wanted to represent it."

JACK PETCHEY SPEAK OUT CHALLENGE

A group of 30 students in Year 10 took part in the Jack Petchey Speak Out Challenge on Wednesday 5th October. The purpose of the day was to develop presentation and communication skills. Students did very well in the workshop and the speeches at the end were interesting and compelling! A few students made the following comments:

“The workshop made me consider aspects of speaking that I hadn’t before” Oscar, 10H.

“It’s a game changer, it’s more than just a workshop. It’s a skill you can’t miss out on.” Dean, 10B.

“It’s more than just an experience, it’s something that you can use throughout your whole life” Abiodun, 10W.

Well done for all your hard work during the event Year 10!

STEM CLUB

During KS3 STEM club, students made force meters using rulers and some rubber bands. They calibrated using the real weights and figured out 5 unknown weights. It was tested against the actual balances to see how accurate they were.

Match Funding is Back

This week, we will share with you how to generate even MORE funds for Beths Parents Association. 65% of large companies have a match funding policy.

1. Employers such as banks (Barclays...) are willing to support their employees in their charitable work by matching pound - for - pound anything employees raise for beneficial causes within certain rules
2. Raise money for our school by checking with your company if they do match funding either:
3. Contact us and we will provide you with a letter evidencing your great involvement in our events with the amount raised.

Cash donations in collection buckets

Throughout the year, Beths Parents' Association works closely with school to raise funds for several requests such as:

- Books and equipment for the new library
- PE rugby junior size tops
- Sports awards trophies
- Basketball electronic scoreboard
- Ongoing projects

so please donate via this QR code or by following this link
