MESSAGE FROM THE HEADTEACHER

Open Mornings & Afternoons

On Friday 8th October, we welcomed our first group of Year 6 parents into the school for the first time in almost two years. We restricted the group to no more than 30 families and followed the COVID protocols which have kept the school community safe. I can report that the families were incredibly impressed with our students as they were individually toured around the site during the visit. They received refreshments as

they listened to the Headteacher's speech before taking the opportunity to ask questions of him. We have 5 open mornings and 3 open afternoons this coming week with the students touring being taken from years 8,9 and 12. I am grateful to our students who as always show the school off at its best.

You may remember last May, I reported to you about one of our students had been seriously injured and that the family had asked that you all pray for him. I can happily report that the student has been attending the school this term and has shown a remarkable determination in their recovery. We continue to support and pray for them and their family.

INTERNATIONAL WEEK

26TH SEPTEMBER - 1ST OCTOBER

@BethsGrammar

@BethsGS

INTERNATIONAL WEEK

Beths students had the opportunity to experience a fantastic week of activities organised by the MFL department and the Multicultural Society. The week started with a focus on the Portuguese language and students had the chance to learn basic greetings and cultural information. To provide students with a further cross-curricular focus, departments around the school included aspects of Portuguese culture in their lessons, for example, in English, students learnt about the influence of the Portuguese language in our own language and in Business, students learnt about Business etiquette in Portugal. In addition to this, students ate Portuguese food from the canteen and the shack – Frango Peri Peri and Pasteis da Nata – essentially Peri Peri chicken and crème caramel, as well as a tomato rice dish and spicy Portuguese wedges.

To focus on cultural awareness, during the week, students received a lesson on a cultural aspect of the language they are studying, for example, Italian students learnt about the regions of Italy in Year 8 and the Venetian festival which dates back to 1162! In French, students analysed poetry and song lyrics. In Spanish, students learnt about the famous 'San Fermín' bull run festival and in Mandarin, they celebrated the Mid-Autumn Festival.

INTERNATIONAL WEEK

The food tasting events on Thursday was a fun experience for all involved! Students enjoyed tasting the array of foods on offer – French cheeses, Spanish and Italian hams, cheeses and olives, German meats and Mandarin tea! It was a busy and enjoyable session to teach as students had the opportunity to practise their language skills and engaged very well (and bravely!!) with trying new foods.

Lastly, the finale on the last day!! The International Dress day was a resounding success. The diversity of international dress worn was phenomenal and students enjoyed asking each other about the culture of the country they were dressed in. The MFL department and the Multicultural Society raised £548.16 for WaterAid as well as having a thoroughly fun day! It was a pleasure for the MFL staff and Multicultural Society to team up for this fantastic event.

INTERNATIONAL WEEK

On Friday 1st October 2021, the MFL department and the multicultural committee teamed up to host our annual International Dress Day. We had cultural representation from all over the globe, mainly from Asia, South America, The Caribbean and Africa. Coincidentally, it was Nigerian Independence Day on the same day, and it's safe to say the Nigerian community did not disappoint!

Throughout the day, photos were taken of staff and students around school by the Multicultural Committee and Mr Metcalfe and I took more using our infamous Beths Instagram post cut-out. The day was a pleasant conclusion to a week of MFL assemblies led by Mrs James, foreign food tasting in the MFL department, and lunches inspired by different cultures.

Over 546.18 in donations was raised for Water Aid, which is a phenomenal cause that provides clean water and hygiene education to those who do not have access them. Clean water is a human right and should be the norm for every single person on earth.

As a Jamaican Head Boy and Head of the Publications Sub-Committee, I was so proud of everyone who took the time out to put incredible outfits together, and really embrace their (and other people's) cultures. I want to thank everyone involved, particularly the Heads of the Multicultural Sub-Committees here at the school, our MFL department and everyone who made generous donations to this incredible charity. I study both French and Economics, so it was fascinating to learn about the overlap between foreign cultures and regional disparities and inequalities that are prevalent today.

I interviewed some of our Sixth Formers, and here's what they had to say:

Yasmim- Year 13 student, Co-Chair of The Multicultural Committee: 'We put up posters around school to encourage students to dress up and embrace their heritage- it was amazing to see an array of cultures collectively as part of one school community. Water Aid is a worthwhile charity because it helps developing countries around the world. It also helps those affected by climate change which we may not always be aware of, especially living in a first world country...'

Maya- Year 13 student, Co-Chair of The Multicultural Committee: 'I am Jamaican, Ghanaian and Lebanese. Being the Head of the Committee is eye-opening as I am surrounded by people from so many different backgrounds. I grew up in quite a black area, and as a mixed raced person, I struggled to fit in...'

Jonathan- Year 13 student: 'I am Nigerian, Yoruba. I enjoyed taking pictures throughout the day, dressing up to embrace my culture, and seeing other people's cultures. I feel the donations made on Friday are worthwhile as they will help a lot of people that aren't as fortunate as us...'

Overall, I believe the day was a resounding success, and I look forward to hearing about more days like this once I leave next year!

INTERNATIONAL WEEK - BUBBLE TEA

Year 8 Rubin

My Bubble Tea experience was amazing. 珍珠奶茶 (Zhēnzhū nǎichá) which is the Mandarin for Bubble Tea was exhilarating to learn about. This was of course one of the biggest opportunities in my mandarin journey so far which my knowledge of which I have to expand in the future. Bubble tea was first created by the magnificent minds of Taiwan during the 1980s legend has it that

Chun Shui Tang teahouse employee Lin Hsui Hui in Taiwan whimsically decided to pour 粉圆 (Fěnyuán), a sweetened tapioca dessert, into her Assam iced tea which created the drink we've all come to love today. Moving back to my experience however the bubbles tea was lovely, sweet, the tapioca balls were squishy and soft it was a real privilege to have been able to participate in this amazing event to which I give all my thanks to language teachers and sixth formers.

Year 8 Rain Xi

This week is the Culture Week, I got an opportunity to learn about the Chinese culture which is bubble tea. In the lesson, we also learned how to order a bubble in Mandarin. Then we tried to speak in Mandarin and order the drink from a six former which I have to say was very skilled as he was calm and spoke

very fluently. Next year I would definitely do it again as it was very interesting stuff we learned and also very nice bubble tea we got to try out.

CELEBRATIONS OF ACHIEVEMENT EVENT

Last week we had Year 11 and 12 Celebrations of Achievement evening where students and their achievements were honoured. The afternoon was very insightful and there were even musical performances from some of our students. Usually we would invite parents to celebrate their child's achievements, however we were not able to celebrate with parents this year. Despite this, the event was still filled with joy and happiness and parents of these students will also be emailed with their child's photos shortly.

Congratulations to all these students!

Mr Richard Blyghton
Headteacher
Beths Grammar School
Hartford Rd

Dear Mr Blyghton

I am writing to you on behalf of Greenwich Concert Band in my capacity as band secretary. I would like to record our thanks and gratitude to members of your staff for the willing and cheerful help they gave last Saturday evening at a 'Battle of Britain' themed charity concert held at Beths. The function was booked by the concert organisers, the Rotary Club of the North Downs, and the musical entertainment was provided by Greenwich Concert Band which benefitted immensely from the help given by members of the Beths staff, both on Friday evening allowing us to set up some of our equipment beforehand and on Saturday afternoon and evening.

My band has performed this concert for many years at Chislehurst & Sidcup Grammar School for Sidcup Rotary. Two years ago, before the pandemic, the Rotary Club of the North Downs took over the running of this event and Beths was chosen as the venue. We were all so pleased with the facilities and help we received in 2019 that it was decided to hold this concert at Beths again.

As in 2019, Tracy Hards was a pleasure to deal with and her practical help – before, during and after the concert – was very much appreciated and, at times, much needed. Also I would like to commend Dan Metcalf for giving his time and invaluable help to us with the lighting and other issues on Friday and Saturday, which added so much in the way of atmosphere to complement the nostalgic music appropriate to the concert theme. He was on hand all the time to sort out any technical problems we might encounter and we were very grateful for his support and expertise. Finally, Rory was available that evening to lend a hand wherever needed which was most welcome for the organisers and band members alike.

We do hope that we may have the opportunity to perform a Greenwich Concert Band concert at Beths in the future as the support and expertise offered on a very busy evening and a full audience helped make the evening flow smoothly and efficiently. You may be interested to know that the success of the evening helped raise approximately £1,000 (possibly more) for each of the two charities chosen to benefit, i.e. the Royal British Legion and Demelza Hospice Care for Children.

I should be grateful if you would please convey our gratitude to your staff members who played their part in a most successful and worthwhile fundraising event. Their help was very much appreciated.

Yours sincerely

David Cook

MATCH REPORT

Saturday 2nd October 2021

Beths 7A Rugby Team v Maidstone Grammar School (friendly)

Well done team A, we scored 7 fantastic tries and some of us made some amazing tackles. We were winning in the first half which we all should be proud of, but it seems Maidstone were one step ahead of us when we came onto the second half, but we all coped quite well. Congratulations to Jamie for being the man of the match and the incredible tackles he made and scoring 2 tries. We have all seen that this was so much better than the last match and I know even though we did lose this time I am sure with more training we will win the next match.

Our Online Chess Tournament

Following the success of Beths Parents Association first online chess tournament, Friday 1st of October, saw the second one. Featuring William Jones, an ex Beths student and international level player, nearly 30 players (a mixture of parents and students) battled it out online to secure a good ranking on the leader board. Thanks to the generosity of our donors, the winners will be given prizes and all players commendations.

After house points were allocated to each player, the house scores were as follows:

Abbey - 15 Brampton - 26 **Cray - 61** Eardley - 19 Hurst - 45
Wickham - 8

What players and parents said! :

"Could we do another one chess tournament again, please?"

"Such a lovely time!",

"William is too good",

"Thank you for the tournament it was fun"
