## MESSAGE FROM THE HEADTEACHER

Dear Parents, Carers,

This week we celebrated Wellbeing Week teaching students about the Five Ways to Wellbeing and embedding them within our community here at Beths. The Five Ways to Wellbeing are: Connect, Be Active, Take Notice, Keep Learning and Give to Others. Our Wellbeing Champions across all key stages were interacting with students promoting the five ways.

Students participated in a “What makes me smile” competition which we displayed on screens around school. Staff participated with a Secret Supporter gift and an activity on reflecting on the little things.

Further to my letter this week regarding the arrangements on Thursday 24th November 2022, I have received emails from parents wishing to pass their condolences onto the family. We have therefore set up a form which you can write any message you wish, and we will add it to our book of condolence which we will pass on to the family. If you would like to leave a message, please can you do this by Friday 25th November 2022.

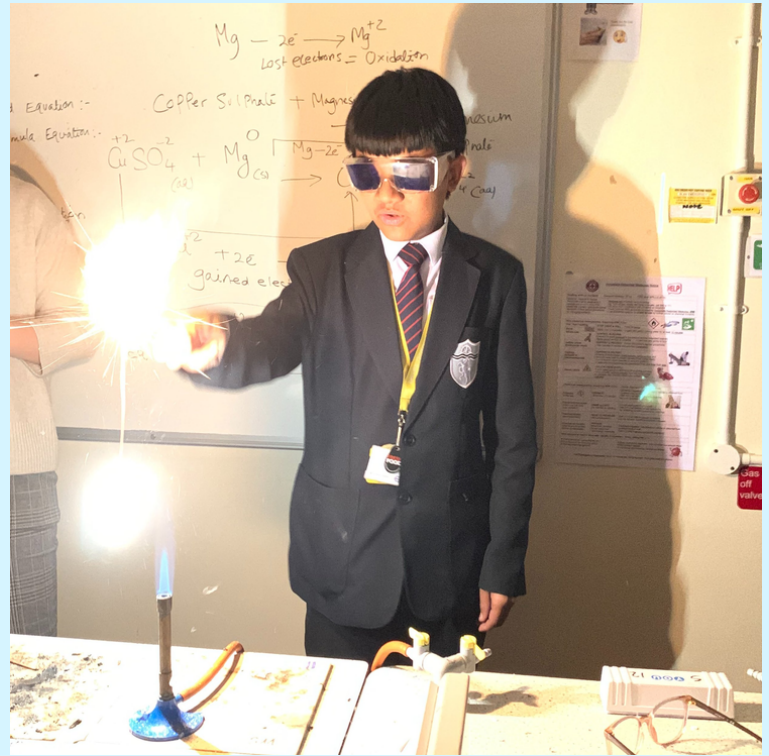

<https://forms.office.com/r/9wFTT0F0Gx>

Over the coming months, we plan to hold activities/events in memory of Osaivbie which we will keep you informed of.

**Kind regards,  
Richard Blyghton**

# STEM CLUB

This week's STEM club was in celebration of Guy Fawkes and Diwali. Students made their own sparklers using magnesium powder. It was a fun filled, exciting, enjoyable session.

# GCHQ'S NATIONAL LANGUAGE COMPETITION 2022

During the week of 7th November, 35 students from Year 9 took part in GCHQ's National Language Competition. Students logged into the Arena online and tackled various linguistic challenges to unlock codes, puzzle answers together and think laterally in languages they knew and those they didn't. There was fierce competition all week with teams from more than 600 schools across the UK putting their language skills to the test and battling it out for the top spots on the national leader board.

Unfortunately, no teams from Beths reached the national top three but many congratulations to all our winning Beths teams, and a huge well done to everyone who took part. We have some future intelligence officers in our midst!

1st place: Team 4- fair zany zebra

## **COP-27: NOV 7 – NOV 12 2022**

COP stands for Conference of the Parties and it is a global conference that aims to reduce climate change by 2030. This is the 27th time this conference has happened.

Some key things that took place this time round:

The new Lowering Emissions by Accelerating Forest Finance (LEAF) coalition plans on mobilising US\$1.5 billion in finance for tropical forest countries that are committed to protecting their forests, the largest-ever public-private effort to protect tropical forests.

26 countries launched the Forest and Climate Leaders' Partnership (FCLP), a voluntary partnership of high-ambition countries that will unite action by government, business and community leaders to accelerate momentum to halt and reverse deforestation and land degradation by 2030. Together, these nations account for roughly 35% of the world's forests.

The US Agency for International Development (USAID) has committed to scaling resilience action in partnership with the Global Fund for Coral Reefs Accelerates Coral Reef Resilience Action (GFCR), launched during the 75th UN General Assembly in 2020. USAID's contribution brings GFCR to a total mobilised of \$187 million.

Ukraine's President Volodymyr Zelenskyy spoke via video saying that "there can be no effective climate policy without the peace." He highlighted the impact of Russia's invasion of Ukraine on global energy supplies, food and water security, and Ukraine's ecosystems.

The International Monetary Fund (IMF) said that carbon price must go up to at least \$75 by 2030.

# STUDENT SUCCESS

Congratulations to Oscar A who has done exceptionally well nationally in Cyclocross, having won two of the first three Trophy series events and is currently in the leaders jersey (and ranked no 1 in the overall National standings).

Alfie A is similarly outperforming in his first year of U18 competition, winning multiple races and making the national team and racing abroad. He is also on the long list for the World Championships in February.

# KEEPING YOUR CHILD SAFE ONLINE

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many games which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

## What Parents & Carers Need to Know about

# CALL OF DUTY: MODERN WARFARE II

The Call of Duty (CoD) series is a worldwide gaming phenomenon, with millions of copies sold every year. While 2021's release, Vanguard, wasn't quite as well received, this latest entry – Modern Warfare II – has so far proved a massive commercial success. A sequel to the recent Modern Warfare reboot (and not to be confused with the original Modern Warfare 2, from back in 2009), the game is an online shooter which features – unsurprisingly – extreme violence, rendered in realistic graphics. Amid the explosions and political nature of the plot, there's much for parents to be aware of.

AGE RATING  
**PEGI 18**

### WHAT ARE THE RISKS?

#### VIRTUAL VIOLENCE

Like most of its predecessors in the franchise, Modern Warfare II carries an 18 age rating from PEGI (the Pan-European Gaming Information system, which assesses games' content for suitability). This means players will encounter – according to PEGI's wording – depictions of "gross violence, apparently motiveless killing, or violence towards defenceless characters".

#### OFFENSIVE CHAT & MESSAGING

Most CoD players are likely to spend the majority of their time on Modern Warfare II in online multiplayer mode. This entails competing against – or cooperating with – strangers on the online battlefield. The fast-paced, cut-throat world of CoD means that communication through the game's voice chat and direct messages often turns heated and aggressive, which may upset younger players.

#### IN-GAME PURCHASES

Modern Warfare II follows the "battle pass" model of games like Fortnite. For a fee – usually around £10 – each "season" (every three months or so), players will be invited to complete extra challenges to earn new weapons and equipment. Different tiers of battle pass (costing more money) enable them to achieve this more quickly, while items can also be purchased from the in-game store.

#### POLITICAL SENSITIVITY

Previous CoD games have been accused of attempting to "rewrite history": failing to correctly attribute alleged war crimes to the US military, for example. The semi-fictional version of history presented on screen can cause players to misunderstand past conflicts and the real reasons they took place. This could lead to young people developing a distorted, inaccurate view of world politics.

#### AN ADDICTIVE EXPERIENCE

Multiplayer mode in Call of Duty titles revolves around levelling up your character to unlock new weapons, abilities and equipment. The process is designed so that it doesn't take too long to see an improvement, and the feeling of making meaningful progress can keep players hooked for hours. It's easy for gamers of any age to lose track of time, but younger ones are especially susceptible.

## Advice for Parents & Carers

#### RESPECT THE AGE RATING

Based on accurately recreating combat situations, Call of Duty games are unflinching in their portrayal of war. Limbs are shot off and explosions send gore flying, while the previous Modern Warfare featured a lengthy interrogation and torture sequence. With Modern Warfare II offering the same style of brutal realism, it's worth reiterating that the PEGI 18 age rating is there for a reason.

#### SET SPENDING LIMITS

If your child is likely to be tempted by buying that 'must-have' weapon or item, consider removing your bank details from the console or computer to prevent indiscriminate spending – and an unwelcome bill. Pre-paid cards could be an option for in-game purchases, allowing you to control how much your child can spend in advance – and helping them learn the basics of budgeting.

#### CLOSE OFF COMMUNICATION

Unless they're playing with their real-life friends, it may be worth closing communication channels if your child plays Modern Warfare II. There's less of a team focus than in many other online combat games and therefore no real need to interact with strangers. Call of Duty fans can be intensely competitive, so even a single action by your child could provoke a barrage of abuse from strangers.

#### TRY OTHER MODES

If it seems that your child only ever plays Modern Warfare II in multiplayer, you could try out the Spec Ops mode with them – formulating strategies while enjoying each other's company. You could also play multiplayer together, taking it in turns to ensure regular breaks. Another alternative is the game's campaign mode, featuring bespoke missions and scenarios which follow an overarching plot.
