Excellence - Community - Respect - Nurture

## MESSAGE FROM THE HEADTEACHER

After a long and difficult start to the term, we can now approach the half term knowing how well we have done to get this far. With the first week back starting off with more Covid testing of students, then straight into hosting the Bexley 11+ testing and having to deal with reverting back to special Covid measures, our students and staff have adapted well and carried on as normal, to which we are very proud of.

We are proud to be able to offer Yr 7 and Yr 12 students with a school notebook to those who required them, to assist with their learning and in the event we had to go into another lockdown.

Today, Thursday 21 October 2021, we were told we had to host the Covid vaccinations for 12-15 year olds as part of the Government's vaccination programme. The Hounslow and Richmond Community Healthcare team did as many vaccinations as they could, due to unforeseen circumstances and being stretched with their current conditions, they weren't able to do all those who consented. We are liaising with the HRCH team to get them back in to complete the vaccination programme, however, in the meantime, should you wish to get your son vaccinated there are walk in clinics available during the half term:

Masonic Lodge, Welling – Thursday 28th October 2021

Bexley Civic Offices, Bexleyheath – Friday 29th October 2021

@BethsGrammar

Beths Grammar School

@BethsGS

If you wish to get your son vaccinated sooner, please try one of the above venues, or alternatively contact your GP or book via the National Booking Service: Book or manage your coronavirus (COVID-19) vaccination - NHS ([www.nhs.uk](http://www.nhs.uk))

This month we hosted 15 open events to Yr 6 parents and students and our student tour guides did us proud. The morning and afternoon slots had restricted numbers where parents had to book slots. We hope many of these Yr 6 students return as Beths Scholars next year.

Looking ahead, starting the week commencing 15 November we will be running the first set of trial exams for Yr 11 and Yr 13 students.

As you are aware, we had to put in place the Covid measures again, where we insist students wearing face coverings within the school buildings (although not in lessons). We are continuing with this after the half term break. Masks on public transport are strongly recommended. We also strongly advise you to continue with the lateral flow testing twice a week (ie. Wednesdays and Sundays) and to register the results on school's test register website. If a student wishes to test more often or have run out of their LFT boxes, they can get more boxes from the reception.

If your son has PE lessons, they are to continue to come into school in their PE kits. The uniform shops should now have the tracksuit bottoms in stock.

We are actively seeking the advice from Bexley Local Authority, Public Health Bexley and LCRC (London Coronavirus Response Centre) who are working with us to ensure the safety of the school community.

We hope you have a relaxing, healthy half term and are able to get to do things you have been putting off.

Many thanks  
Richard Blyghton.

# KATE HERRON

Ex student Kate Herron who is a Writer-Director working in Comedy, Genre and Drama came in to talk to students about her life as a Writer-Director, life after leaving Beths and how students can achieve their goals. Kate has written and directed many films and shows over the years including popular series 'Loki' and 'Sex Education'.

**We managed to sit Kate down for a quick interview, and this is what Kate had to say...**

**What were your favourite experiences from studying at Beths?**

I loved the English and Film Departments, I felt really challenged during my time here and it completely opened my mind up to new pieces of writing and cinema. I also had a very fun bunch of friends.

**How do you think your time at Beths impacted your goals and career?**

My film studies teachers, Mr Russell and Mrs Quinn definitely put it in my head that I could consider directing as a career. I didn't even know what that job was properly before I took Film Studies here.

**What has been your favourite experience in your career so far, can you share any stories?**

Definitely the day after I was told I had got the job for "Loki", doing the red carpet at Disney's D23, where the Lady and the Tramp dogs were in front of me, also doing press. I was thinking, "my jobs a bit silly isn't it"

**Did you always know you wanted to be a director?**

No, I originally wanted to act. I was making stuff like silly videos with my friends or putting on shows in my living room but I never considered directing until taking Film Studies at Beths.

**What advice would you give for anyone wanting to start a career in the film/entertainment industry.**

Do not wait for permission just go make stuff.

# KATE HERRON

"Last Thursday we had the honour of welcoming former student, Kate Herron, back to Beths. For the uninformed, Kate Herron is the esteemed director of "Loki", a Marvel's miniseries, and 4 episodes of Netflix's "Sex Education" which have been very well received by critics and fans alike. Thanks to Mr Russell's networking, Kate undertook various workshops throughout her stay here including ones with A Level Drama and Film Studies but most notably she agreed to talk to the our newly formed film club. Throughout the session we discussed the subtleties of one of Kate's favourite films: Alien (1979), and after we had a QandA session in which current Beths students ranging from years 10-13 were able to appreciate the expertise of one of our own former students. Kate's great success in the upper echelons of the film industry has inspired the members of Film Club to pass on their newfound wisdom onto their friends, much to the envy of all those not present. We are all very glad to be able to celebrate someone from the locality for having "made it" ! Finally, on behalf of the whole school we would like to thank Kate for taking time out of her undeniably busy schedule. "

# MENTAL HEALTH AWARENESS WEEK

In celebration of Mental Health Awareness Day (Sunday 10th October) Students and Staff put on an insightful and bright display about Mental Health. It included lots of positive messages and information from Mental Health Charities. It even involved a little game of 'guess how many sweets are in the jar'. Congratulations to Louis in Year 13 who got the closest guess of 88 sweets, compared to the actual number of 95.

Enjoy your sweets!

# YEAR 10 SPEAK OUT CHALLENGE

## Jack Petchey's "SPEAK OUT" Challenge!

Last week some Year 10 students attended a Speak Up Speak Out workshop which helped them develop their communication skills, confidence and gave them a platform to share stories and talk about topics that are important to them. Jack Petchey's "Speak Out" Challenge! is the largest speaking competition for young people in the world! Above all, the programme develops self-belief, raises aspirations and encourages thousands of young people to recognise the power of their voice.

# YEAR 10 SPEAK OUT CHALLENGE

**Heres what some students had to say about their experience with the workshop...**

"The speak out workshop was a very eventful experience as it taught me skills that I will be able to use in the future. Being a confident public speaker is a good skill to have so I was thrilled to be a part of the workshop. The workshop taught me about body language whilst speaking, to be confident and to always keep eye contact which is a part of the three steps to being a confident speaker : Content, Structure and Delivery. The workshop opened a newfound confidence when speaking to an audience and I am very excited to be picked in the top four and see what other opportunities will happen in the future. I believe it brought people out of their comfort zone which was very needed in order for them to be more confident within themselves and the workshop has definitely succeeded in doing that."

**- Ibrahim, Y10**

The Speak Out Workshop, was an enjoyable and valuable experience and one which I will not forget. The day started with our teacher, Precious, giving us all top tips on how to perform to the best of your ability when doing public speaking. Then we attempted some mini speeches, from which Precious gave us some more advice. After lunch we started writing the final speeches we would perform. We all spoke really well, and I was very happy to be one of the people chosen to move on to the next round.

I thank Precious for the amazing workshop and Mrs Takeda for organising it.

# ROSS AND THE LONDON MARATHON

Ex student Ross recently ran the London Marathon and came in 3rd place!, here's what he had to say about his experience and his advice to all those who would like to start running.

" I recently completed the London Marathon in 2.19 to take 3rd place out of the non elites and 19th overall. This is the culmination of a lot of years of hard work which all began in Year 7 at Beths. I was drawn to running by the enthusiasm and passion of the running teacher at the time (Mr Hills) as well as a lack of ability at any other sports!

I was never the most gifted but was taught that being persistent with training over the years would pay off, and it was much better to be consistent with training rather than to worry too much about short term gains. This is something I have taken with me ever since and has allowed me to go further with my running than I initially thought was possible! I have slowly progressed year on year and am now ranked in the 25 in the UK over the Marathon distance.

Marathon running, and running in general, is all about being more mentally tough than your competitors, it is something I have worked hard on. To never drop out, regardless of how hard things get, or how bad the race is going. There were a number of points on Sunday towards the end, where I was seriously struggling and aware that I was not going to hit my target time, but insistent that I would tough it out, and carry on regardless of how tough it got.

My main advice would be to work on the mental aspect, and have a strong reason in your mind of why you are running before you start any race, this will allow you to find that extra little bit inside you that can be the difference between winning and losing."

# ZACH RUNS A MARATHON

Zach in Year 12 is running a marathon for charity on Friday 17th December 2021. His chosen charity is Crohn's and Colitis UK.

Zach has only just begun his training but is already a keen runner. Earlier this year, during lockdown, he took part in the Beths running challenge and completed 100km in three days. In March, he took on another challenge and ran four miles every four hours for 48 hours.

# MATCH REPORT

Wednesday 13<sup>th</sup> October

Beths U13 v Tunbridge Wells GS (National Cup)

Tunbridge wells got the game started for a 4:00 kick off. A few minutes into the game, Raynon ran at the defence and scored a great goal. His second came just moments later in similar fashion. However, this time, he **feigned** left but went right around the keeper. Another great goal. Raynon got his **hat-trick** with about 20 minutes left of the half. Tunbridge pulled back 2 goals to make the score 3-2. After that, Beths stepped up their game and at half time, it was 6-2. Post half time, Raynon scored yet another **hat-trick** with Tom and Melvin adding to the score sheet. Tunbridge got another goal but it was merely a consolation. In the end, the score line was 11-3 Beths Grammar school and they qualify to the next round of the National cup. The man of the match was undoubtedly Raynon after scoring a mind blowing 6 goals

AGM and newly elected executive members

On Tuesday the 12th October we hosted the Annual General Meeting where we were glad to see many new and old committee members joining the virtual event. We welcomed Timmy Obaseki who was elected as Chairperson and Marlie Diallo as Secretary. We wish them all the best. We also wanted to express our thanks to Adele Swart and Dele Ojomo, who served 2 years as chairperson and secretary, respectively. They will stay on as ordinary members to support the newly elected officials.

If any parents are interested in joining the committee meetings, then please contact us via email. We currently meet virtually on Zoom, every 2nd Tuesday of the month at 7:30pm. It is imperative for the survival of the Parents Association to have new members join and actively participate to ensure the succession of the current executive members. So please remember, your PA needs you!

# STUDENT CELEBRATIONS

Well done to Jack and Bradley from Year 12 who were members of the Kent Under 16 team that recently won the English Schools FA Under 16 Inter County Cup.

Kent beat Cleveland 3-0 in the final at Sixways Stadium at Worcester.

CONGRATULATIONS

Congratulations to both Jack and  
Bradley
