If you have more than one child at the school, they will appear on the same page.

From here you can find their Homework; Announcements and Events that apply to them; and their Gradebook.

Homework calendar

Homework appears in the calendar as a block, stretching from the issue date to the due date.

The screenshot shows a web-based homework calendar interface. At the top, there's a search bar and a notification bell with a '2' badge. Below that, a summary shows '5 Homework yet to submit', '2 Deadline finishes today', and '2 Homework past due date'. The main area is a calendar grid for the week of March 9th to 15th, 2015. The grid shows various homework blocks with different colors: green for Assignments, blue for Differentiated, purple for Class tests, red for Numeracy tests, teal for Spelling tests, and orange for Quizzes. A sidebar on the left has navigation options like 'Homework Calendar', 'Homework list', 'Gradebook', and 'Notice Board'. The top navigation bar includes a search bar and a notification bell with a '2' badge.

Homework description

In this view we can see a task's title and description, set and due dates and how it should be submitted.

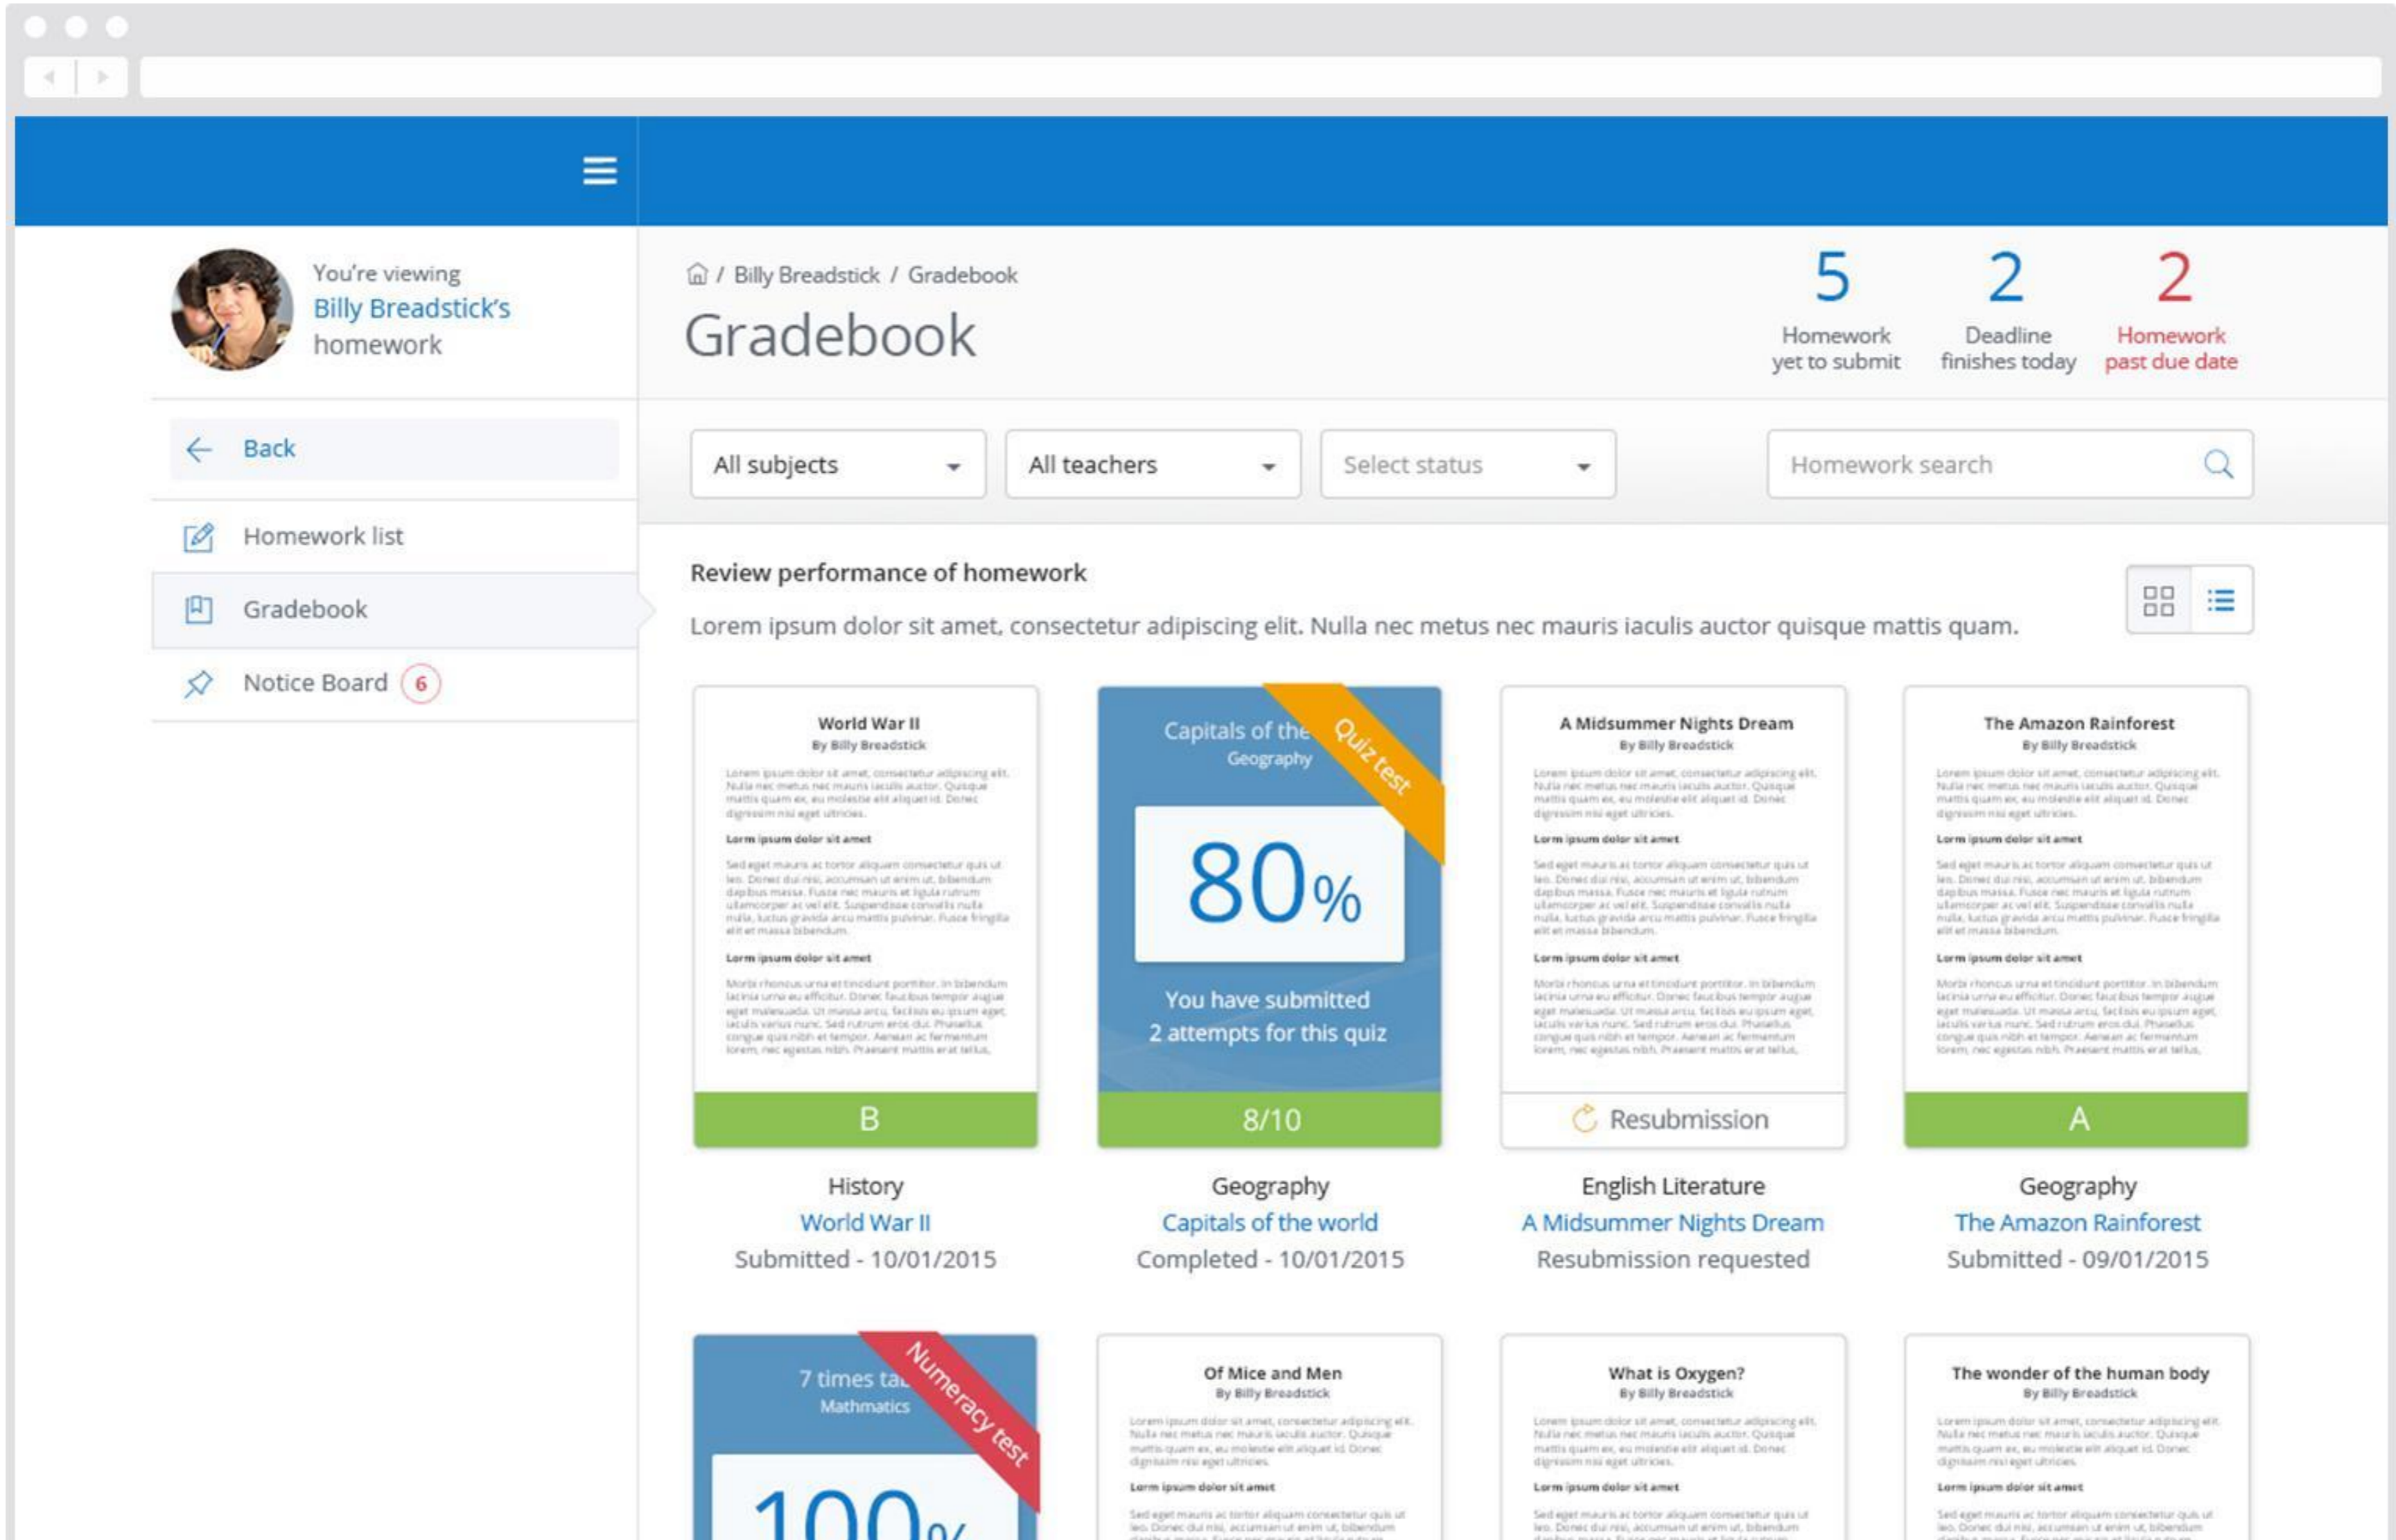

The image displays two views of a homework assignment page. The desktop view (top) shows a page titled 'The future of technology essay' by Billy Breadstick. It includes a search bar, a 'Back' button, and tabs for 'Description', 'Assess', 'Discussion', and 'Trends'. The 'Description' tab is active, showing a task description by Miss. T. Teacherson for group 7/His1 - Physics, with due dates 'Set on Tue 05 May' and 'Set on Tue 12 May'. Below the description is a text block of placeholder text. An 'Other information' section lists '60 seconds to answer each question' and 'Students can take the quiz up to three times', with a tip to visit the gradebook. A 'Resources to help you' section lists three items: 'meet_the_team.mov', 'education_podcast.mp3', and 'product_animation.gif', each with download and play/listen options. The mobile view (bottom) shows 'Romeo & Juliet essay coursework preparation' by Mr. D. Piddington, with a due date of 'Tue 05 May' and a description. The mobile view also has a bottom navigation bar with 'To-do list', 'Notice board', and 'Profile'.
