

Beths Sports Newsletter

It has been an absolutely fantastic term this year and we have had many events take place especially in sports, keep reading to find out more:

Year 9 football:

The year 9 football team took on Wilmington grammar in a friendly match, in a performance that showed perseverance, and togetherness as they fought very hard but a tough Wilmington side got the better of them, then the following week they took on an unbeaten Bexley grammar school side full of talent, excellent goals from Ehimen Onoabhagbe in 9w and Jacob O'Shaughnessy in 9e put Beths 2-1 up going into half time, and they kept the lead up until 10 minutes to go when they eventually succumbed to the pressure and unfortunately lost 4-2, however there was great performances all around

Year 9 interhouse basketball:

The year 9 house basketball teams came together over a period of 2 lunch times to play in our yearly competition, with some very amazing performances like a tight final between Wickham and Brampton, with Wickham getting revenge for their loss in the final last year, and Hurst won the B team competition (finals against Wickham) with a very dominant victory, notable performances were Nero Achora 9w, Ayomide Ogunlana 9h, Timi Davids, Anointed Osagie-Ogbeide 9e, and Remi Brierley 9b

Year 8 House rugby finals:

Eardley and Abbey played each other in a great game in the house rugby final drawing 10-10, in what most would describe as end to end, a notable performance was nathan in 8e using his pace and strength to break through the Abbey defensive line many times. Although they played like enemies during the game, they came together to celebrate their joint victory at the end

Cross country meet up at chis and Sid:

Last month several Beths students travelled to Chislehurst and Sidcup Grammar school to compete against other students from their age categories for the victory, although unfortunately, no one did come out victorious their was some notable and resilient performances from Oto W who came 3rd, Rowan M who came 3rd and Alastair M who came a whopping 2nd

Year 9 basketball v GGS 67-37 win

This match was a very interesting one to watch with this basketball team probably being our most successful team across all sports and years. Special Mentions: Nathan Bamidele, Aneeq Keji, Emmanuel Saliu, Nero Achora and Remi Brierley.

Which brings us to the end of the newsletter, see the next two pages for results on rugby football and basketball

Shoutouts:

Barack, Stanley, Seun and all of the year 9 sports media team who made all of this able to happen

All the Pe teachers who we couldn't of attended these sports events without

Former student of Beths Samuel Edozie who made his European debut with Anderlecht

And last but not least all of the students who are members of teams that helped create this success for us
