Excellence - Community - Respect

## MESSAGE FROM THE HEADTEACHER

Last night we held our Speech, Drama and Music evening where scholar expressed their talents through poetry, acting and music. With staff participation also, it was an enjoyable evening had by all. We have our Spring Music concerts coming up this term, so please do, come along and see the talents in action.

Next Thursday is Year 10 Parents Evening in person. We look forward to welcoming parents in to discuss how their scholar is progressing with their GCSE subjects. We will be holding a Trustee day where our Trustees will spend the day in school to see what a typical school day is like and speaking with scholar and staff. We will share more of their day at the end of the month.

On Wednesday we will be hosting an Afternoon Tea for our retired community again. Our scholar will perform some music for them and there will be a little game of bingo too!

We have recently received a number of concerns from neighbouring residents regarding parents blocking driveways and causing increased congestion on Hartford Road at the end of the school day. We would therefore like to take this opportunity to ask that any parents/carers collecting their scholar by car at the end of the school

day refrain from parking across any driveways in the nearby roads. As a school situated in a heavily residential area, it is important we are respectful and courteous towards our neighbours in ensuring that they can access their driveways at all times.

**Wednesday 19th March** - 2:30pm Afternoon Tea for the retired community

**Thursday 20th March** – Year 10 Parents Eventing (in person)

**Tuesday 25th March** – Year 12 at UCAS Discovery Event, ExCel London

**Wednesday 26th March** – 6pm Spring Music Concert

**Thursday 27th March** – Year 13 Parents Evening for selected students

**Wednesday 2nd April** - Fairfield Hall Bexley Music Event

**Thursday 3rd April** - 6pm Spring Music Concert

**Friday 4th April** – Ski trip to Mont Tremblant depart and the Bay of Naples trip departs

Have a wonderful weekend,

# STUDENT SUCCESS

A huge well done to our Year 8 rugby sevens team for their fantastic performance at the Kent 7s tournament earlier this week! The students showcased their skills, playing fast-paced and exciting rugby while demonstrating great teamwork and determination. They scored some brilliant tries throughout the tournament, showing creativity in attack and resilience in defense. Their hard work and sportsmanship were evident in every match, making the school proud. Well done to all involved!

Some results include:

Won 4-1 v Kings Rochester

Lost 3-2 v Tunbridge Wells

Drew 3-3 v Simon Langton

## New sixth form block officially unveiled at Bexley sch

11 March 2025 Yann Tear

Beths Grammar School has opened the doors to its brand-new Jubilee Sixth Form Centre, offering exciting learning opportunities to over 700 of students across the region.

To celebrate the remodelled space, the school, in Hartford Road, Bexley, invited MP Lo and former headteachers John Tobin and Jim Skinner to a special event to see first-hand the facilities available to students.

**Students** will also benefit from a communal eating space and a study room, creating further opportunities for learning and socialising as part of Beths' commitment to students' wellbeing and personal development.

The new building follows the school's successful bid for funding from the Condition Improvement Fund (CIF) in May 2022, securing £2.8 million in funding, alongside an additional £1 million CIF loan. Replacing the site's former Learning Resource Centre, a 1970s building, construction started in Autumn 2023 and is now completed, providing excellent facilities for generations of students to come.

Students at the school have already been enjoying the new building and the additional space it brings.

# BETHS PARENTS ASSOCIATION

## Match Funding!

Dear Parents of Beths Grammar School,

### **Amplify Your Impact: Match Funding with Beths PA**

The Beths Parents' Association is a registered UK charity. Many employers will match your donations, potentially doubling or tripling the amount. Check if your employer participates and make your contribution go further!

As a registered UK charity, the Beths Parents' Association plays a vital role in supporting our school and enriching the educational experiences of our children. Today, we would like to highlight an opportunity that can significantly amplify the impact of your generous donations: match funding.

### **What is Match Funding?**

Match funding is a fantastic way to double or even triple your donations to the Beths Parents' Association without any additional cost to you. Many employers have schemes in place where they match the charitable contributions made by their employees. This can be in the form of direct financial donations or even volunteer time. Some companies match pound for pound up to a certain limit, while others may double or triple the amount of your donation or pay for your volunteer time.

@BethsGrammar

Beths Grammar School

@BethsGS

# BETHS PARENTS ASSOCIATION

## How to Find Out if Your Employer Participates

Please inquire with your Human Resources department to see if they offer a matching gift scheme. Some employers based outside the UK, especially those in the US, may also have similar programs.

## How to Participate

To take advantage of this scheme, please follow your employer's specific procedures for match funding. The Beths Parents' Association will provide any necessary documentation to support your donation. By participating in this program, you can significantly increase the impact of your contributions, helping us to support more initiatives and projects at Beths Grammar School.

For any questions or further information, please contact our executive committee at [exec@bethspa.co.uk](mailto:exec@bethspa.co.uk).

Thank you for your continued support and generosity.  
Warm regards, Beths Parents' Association

CENTRE  
★ STAGE  
THEATRE ACADEMY

## **Centre Stage Theatre Academy would like to invite the students of Beths Grammar School to take part in Summer Youth Project 2025!**

Centre Stage Theatre Academy is a family run company with ten academy locations across Kent. Summer Youth Project has been running at The Woodville, Gravesend since 2014 and past productions such as Oliver, Shrek, Fame, Grease and Legally Blonde have been hugely successful with students returning to take part every year.

Summer Youth Project has a Junior Ensemble for ages 8-12 years and a Senior Ensemble for ages 13-21 years. We would love to share this wonderful opportunity to the students of Beths Grammar School. The course is open to all, and no experience is necessary, just a passion for wanting to learn, have fun and perform.

The course runs from Monday 28<sup>th</sup> July to Saturday 9<sup>th</sup> August every day from 10am - 5pm at The Woodville. Students will produce the full musical in just ten days, performing to a live audience complete with a full orchestra, lights, costumes, and a set!

We will be holding auditions on Sunday 16<sup>th</sup> March for Junior Students to take part in the ensemble and Senior Students who wish to audition for a principal or supporting role.

It is completely free to come along and audition, then after the audition day there is a non-refundable deposit of £50 due to register your space. The full two-week project is £275 inc VAT. and the final balance of £215 must be paid by 30<sup>th</sup> June 2025. This works out to less than £3.50 per hour for professional tuition and care. Payments plans are accepted.

We like to ensure that opportunities like this are available to all children and young adults, so we do also offer 50% and 100% funded spaces upon application.

We have enclosed some leaflets and posters, which we would really appreciate you putting around the school to promote our Summer Youth Project. Any questions at all please feel free to contact us.

Kind Regards,  
Frankie Fitzgerald

## 10 Top Tips for Parents and Educators USING TECHNOLOGY TO BOOST READING SKILLS

The way we engage with text has changed dramatically over the years. Whether reading captions on social media, instructions in a video game or an e-book on a digital device, technology plays a major role in modern literacy. While traditional books remain invaluable, digital tools can enhance reading skills by making text more accessible, interactive and engaging.

### 1 CHOOSING THE RIGHT TYPE OF TEXT

Before integrating technology, consider the types of text that a child engages with. If they need help on occasion, digital reading pens can assist by scanning and reciting words or sentences. These tools are especially useful for students with reading difficulties, and can even be used in exams if they're part of their routine learning process. Proper training and practice are required, but they can be a great help when tackling printed text.

### 2 READING ON SCREEN

Many devices now allow users to customise text for better readability. Adjusting font type, size and background colour can significantly enhance comprehension. For many readers, white text on a black background is the easiest to see, whereas other styles – such as dyslexia-friendly fonts – are designed to help those who are struggling. Teaching children how to personalise text settings on their devices empowers them to read more comfortably and with greater confidence.

### 3 ACCESSIBILITY TOOLS

Most modern devices include built-in tools designed to support readers. These features can be found in Settings under Accessibility and may include text-to-speech, speech-to-text and screen magnification functions. Enabling these tools can make digital reading more user friendly, especially for children with learning difficulties or visual impairments, who might have an easier time with spoken language than the written word, or who might simply require a closer look at the text.

### 4 INTERACTIVE READING PROGRAMMES

Many digital reading devices, such as Kindle and other e-readers, offer features like word highlighting, adjustable text speed and built-in dictionaries. These tools help learners to break down complex words and phrases while maintaining an appropriate reading pace. Some programmes even allow users to track their progress, making reading a more structured and motivating experience.

### 5 VIDEO GAMES AND READING SKILLS

Many video games require players to read instructions, character dialogues and mission objectives, making them an unexpected but effective literacy tool. Games that involve storytelling, puzzles or problem-solving often include large amounts of text – encouraging children to read these texts aloud or discuss them can improve their comprehension and vocabulary in a fun, engaging way.

### 6 SUBTITLES AND CLOSED CAPTIONS

Watching videos with subtitles or closed captions is an effective way to enhance reading skills. As children watch their favourite shows or online videos, they can follow along with the text, gaining a better understanding of how written words sound when spoken aloud. This is particularly beneficial for reluctant readers, as it exposes them to words in a familiar, engaging context. Repeatedly watching content with subtitles reinforces word recognition and comprehension.

### 7 USING AUDIOBOOKS

Audiobooks are an excellent way to develop listening and reading skills simultaneously. Children can follow along with the text while listening to a narrator, reinforcing word recognition and fluency. For struggling readers, listening to an audiobook before attempting to read the text independently can boost their confidence and comprehension.

### 9 TEXT-TO-VOICE TECHNOLOGY

Text-to-voice software reads digital text aloud, making it easier for learners to follow along. Most smartphones, tablets and computers come with this function built in. When enabled, users can highlight a passage or sentence and press Play to hear it read aloud. This tool is particularly helpful for auditory learners and those who struggle with decoding written words.

### 8 VOICE-TO-TEXT FOR WRITING AND READING

Voice-to-text tools allow users to dictate words, which are then transcribed into text. This feature helps children see the connection between spoken and written language. By using text-to-voice to have their dictated words read back to them, learners can identify mistakes and improve their reading and writing skills simultaneously.

### 10 SOCIAL MEDIA AND PARENTAL CONTROLS

While social media provides opportunities for reading, most platforms have age restrictions of 13–16 years old, making parental guidance essential. Many social media videos include captions and comments that can encourage reading. However, it's important to use the platform's parental controls (such as time limits and content filters) to create a safe and educational online environment for children. Encouraging responsible social media use can ensure a balanced and productive approach to digital literacy.
