

Beths Grammar School

an 11 – 18 selective school with academy status

Headteacher: Mr R J Blyghton

Thursday 20 November 2025

Dear Parent/Carer,

Thank you to those students and parents / carers who were able to attend the Year 10 Work Experience launch on 18th November. For those that were unable to attend, the details are now available on the Beths website, including the Presentation slides, Guidelines and a handy guide on Finding and Applying for Work Experience. The link is here [Work Experience and Careers Programme - Beths Grammar School](#). Please scroll to the bottom of the page to find this information.

As you know, the deadline for students to find their own work experience placement is 19 May 2026. We encourage students to upload the details onto Unifrog as soon as they have found a placement, so the approval process can begin.

We will continue to support students with information on how to find work experience, via their Form Tutors and in assembly.

If you have any queries, please contact the Careers Team on workexperience@beths.bexley.sch.uk.

Many thanks for your support.
