Dear Parent/Carer,

## **Year 11 Ancient History Revision Sessions**

I hope this letter finds you well. As we are gradually approaching the end of your son's journey in Year 11 at Beths, it is the time of year that we conduct revision sessions so as to prepare for exams. Your son is therefore invited to attend the revision sessions run by myself for Ancient History. They are to be held in M6 every Wednesday lunchtime.

This is an invaluable opportunity for your son to hone his writing skills and gain confidence in approaching the exam questions he will be answering. We will be primarily focusing on exam question writing and will only marginally be going over content again. We will be looking at past exams in order to plan and answer questions; in addition, we will be looking at past answers and picking them apart. Due to time constraints we will not be going over past content in class. As such, if there are some areas of his knowledge that he sees that he needs to work on, this is to be done independently by him.

I will also be reminding your son of this opportunity. Please impress upon him that this is an excellent opportunity for him to better prepare for his exams.

I look forward to holding these sessions and helping your son achieve his best.

If you have any questions or concerns, I would be happy to help.

Kind regards,

*Mr Papakostas*
