

## Beths Grammar School

an 11 – 18 selective school with academy status

Headteacher: Mr R J Blyghton

Dear Parents and Carers of Students in Year 12,

We hope you all had a good and restful half-term break. It was great to welcome students back to school yesterday.

Following the end of half-term letter sent to all parents and carers of students in year 12, we noticed that some of you had an issue with accessing the link to the MS Forms allowing you to submit any questions or comments on how things are going so far for our year 12 students. We have now addressed this and I am including the link below.

This half-term will see our first year 12 Student Council meeting in which each form will have the opportunity to share their views on what is going well so far and suggest important areas where we can make the sixth form experience even better for them. We always welcome our student voice and are keen to make sure they are happy at Beths. With this in mind, we also welcome the views of parents and are equally keen to hear from you. You are invited to submit any comments or questions using the **MS forms below** and let us know any feedback on how we are doing so far. We do ask that you name your child so that we can ensure that any issues are addressed.
