

BETHS VIP

Excellence - Community - Respect

MESSAGE FROM THE HEADTEACHER

Dear Parents, Carers,

Thank you to everyone that attended and showed your support to our students for the Shrek The Musical Production and the Spring Concerts.

In this VIP is the introduction to our School Development Fund. There is also a page on our website [Website - School Development Fund](#)

On Wednesday, we hosted our Community Afternoon Tea. It was a wonderful afternoon. Thank you to prefects, musicians and staff for their help organising and providing a lovely afternoon for our guests.

On Friday 27th March, the letter for Year 9 options went out to parents and the information about their options in the letter is on our website <https://beths.bexley.sch.uk/overview-of-our-curriculum/>

Year 10 and Year 12 Trial Exams begin on the 27th April. The Exam Timetable and subject topic lists are available on the website [Useful Information and Letters Home](#)

Have a restful break and we will see you in the new term.

Best wishes,

Richard Blyghton

@BethsGrammar

Beths Grammar School

@BethsGS

The School Development Fund is a voluntary giving scheme, the proceeds of which are invested back into our school community so we can continue to go above and beyond, providing our students with the best possible learning environment and opportunities.

While government funding covers the core running of the school, we are always looking at innovative ways to proactively invest in our young people. This includes the wider educational experiences, facilities and enrichment activities that make Beths such a vibrant and ambitious place to learn and give our students the most ambitious educational offer.

Thanks to the generosity of our community, in the past we have been able to enhance facilities and improve resources. The new School Development Fund has been created to formalise this process and provide an easy and simple way for parents, carers, alumni and friends to contribute, if they wish, towards projects that directly benefit every student.

We have exciting ambitions to upgrade our library, ICT classrooms, sports facilities and student areas. We are also looking at additional enrichment activities and cultural experiences, all of which can be supported and expedited by the new Fund. Importantly, our Student Council will help shape what we invest in, meaning student voice sits alongside the expertise of our Development Office, Governing Body, staff and the Parents Association in identifying suitable projects.

As such, we are offering our families the chance to contribute to the Fund. Contributions can be made in any amount, whether monthly, quarterly, or as a one-off donation. A **suggested contribution of £10 per child per month** provides a meaningful boost to our resources, but we are grateful for all forms of support.

Many employers also offer Matched Giving Schemes*, where they will match the donations made by employees to charitable causes. This can significantly increase the impact of any contribution. A list of companies that offer such schemes is included overleaf. If your employer is not listed, it may still be worth checking with your HR department.

To donate to the fund, please click here

Or visit <https://cafdonate.cafonline.org/30206>

We fully appreciate that this type of contribution may not be for every family, and there are many other valuable ways to contribute to school life if you would like to. This includes offering work experience placements and careers talks, volunteering time, or joining our PA. Every act of support strengthens the opportunities we can provide students and supports us in our mission to deliver a platinum standard of education so all our young people can achieve their potential. If you would like to

discuss the Development Fund further, or how you can get involved in school life, please contact me at mrmcbeth@beths.bexley.sch.uk.

We will keep you updated on the Fund and how your donations are making a difference to your child's education. Thank you, as always, for your continued support to help us make Beths a place where every student thrives.

Yours sincerely,

Mr R McBeth, Senior

Teacher

COMMUNITY AFTERNOON TEA

Simon Taylor alumni

On Wednesday we held our Easter Afternoon Tea for the retired and semi-retired community. Guests enjoyed music; a quiz that they completed on their table and had food in the form of sandwiches, fruit and scones filled with cream and jam.

COMMUNITY AFTERNOON TEA

I attended the afternoon tea with my mum yesterday and we really enjoyed it. It was nice to be able to take mum somewhere new where she could socialise with people, and the musical performances, food and quiz were all great!

It is so important to recognise and thank all those who organised it and worked hard to make it a success. The food was of a high quality and the musical entertainment excellent. Beatles songs were a good choice for the audience. The students that served and obviously had helped in the organisation were both well spoken and helpful. The staff who were involved had obviously put in a lot of work and also should be thanked and congratulated. Finally the quiz was a great idea and most enjoyable and the quiz maker and announcers did a great job as did all the others above.

It was wonderful to have the opportunity to catch up with familiar faces and meet others associated with the Beths Community. I really appreciate the time and effort it took organising and delivering the event. Please pass on my thanks to all the staff and students who gave up their precious time to make it happen.

After a busy morning, I was grateful for the endless supply of tea, the delicious sandwiches, the beautifully presented fruit and the superb scones. The Easter bunnies were a clever addition too and we enjoyed the quiz amidst the chat. It was good to hear live music especially the pianist Otto, so talented! May I also add how beautifully the supporting Sixth Form students conducted themselves, they are a credit to the School.

EARTH HOUR

SATURDAY, MARCH 28TH, 2026

With the theme being '**The Biggest Hour for Earth**', this worldwide movement encourages people to spend 60 minutes at 8:30 – 9:30pm (Local Time) doing something positive for the Earth.

As a school, we will close the day prior to the event occurring; so, during the first day of the Easter holiday how could you take part and **join in with this movement?**

Earth Hour is about the **little activities**. Some practical actions that you can take include the following: turning off lights when not in use, spending time in nature (for example going on a walk in the park) or cooking a candlelit dinner!

This year marks the 20th anniversary since the movement began in **Sydney, Australia 2007**. It started as a local event with **2.2 million people** in one city while now it is a global phenomenon with over **190 countries** and territories taking part – even the Eiffel Tower switches off!

What does Earth Hour symbolise?

This event symbolises commitment and awareness of our planet – it isn't just doing a small activity – it is a **call to protect the planet and combat climate change**; not only affecting us right now, but also future generations to come. You can inspire millions by one action and change millions of lives in the future. **Encourage your friends and family** to take part, creating more support and becoming an agent of global change!

Why?

Earth Hour is not just an hour, it is a **global effort** – showcasing **unity, awareness and action**, while also encouraging others to also help. You can be apart of the movement to take care of your planet, because after all, **there is no Planet B**; A small action can lead to great change.

Participate in Earth Hour!

THE KEEPSAKE CLUB

Message by Cole Clark the Founder of The Keepsake Club:

The Keepsake Club is a relaxed, screen-free creative workshop open to teens (11+) and adults where we use collage, scrapbooking, paper and stickers to turn everyday memories into something meaningful to keep. Participants can even bring along small mementoes from their lives (things like photos, tickets, postcards) and incorporate them into their "junk" journals to add a personal touch. It's designed to be a calm, welcoming space where people can slow down, create with their hands, make new friends and begin to build something special that they'll treasure for years to come!

The next session is on the 7th April 4:30-6pm at **The Movie Shack in Bexleyheath**, and to celebrate the launch I'm offering a 2-for-1 ticket, so students can bring a friend along for free!

Tickets Available to Purchase via Eventbrite -
