# Resources

## Kerboodle coursebooks:

Ensure that your log on for the AS and A2 books is working. Let your teacher know immediately if you are unable to log on. You should revise from each module of the book across all themes.

There are revision sections at the back of each module with exercises to practise exam techniques.

Click on 'Contents' in the A2 book, then 'Theme 1 and 2 Revision' and you will find sections with the AS book themes but at A2 level. These sections are very useful for revision.

There are big grammar sections in the back of each book - revise all tenses including all subjunctive and compound tenses.

Your teacher will make available any additional useful resources available on Teams 'class materials'.

## Memrise courses:

You should revise across all themes from the Activelearn memrise courses on your memrise class group – **you have access to Y12, Y13 and Steps to Success courses as well as vocab for the film and book.**

## Revision for the book and film:

Your teacher will make available any resources on the book and film in 'class materials' in Teams. You can also make use of the study guide you have bought which was used in class.
