

Beths Grammar School

an 11 – 18 selective school with academy status

Headteacher: Mr R J Blyghton

Dear Parents and Carers,

As we come to the end of another successful academic year, I would like to take this opportunity to thank you for your continued support throughout the year.

Year 9 scholars have achieved a great deal and should be proud of their efforts, resilience and growth. This year has provided many opportunities for scholars to develop both academically and personally, and it has been wonderful to see their increasing maturity, confidence and scholarly approach to school life.

I would like to commend our scholars for their participation in lessons, assemblies, enrichment activities and wider school events. Many scholars have represented the year group exceptionally well and have made positive contributions to our school community. We have also enjoyed celebrating students' achievements through rewards, competitions, sporting events, performances and our end-of-year celebrations.

As scholars prepare to move into Year 10, they will begin an important stage of their educational journey. We encourage them to enjoy a well-deserved break over the summer whilst also taking time to reflect on their goals for the year ahead. Returning in September with a positive attitude, excellent attendance and high standards of organisation will ensure they make the most of the opportunities available to them.

I would like to thank all parents and carers for the support you have provided this year. Working together has enabled us to help our young people achieve their best and overcome challenges when they have arisen.

More information on what scholars' need for September for certain lessons will be sent by Heads of Department in due course. Scholars have also been made aware in lessons in the final weeks this term.

On behalf of the Year 9 Team, I wish you and your families a safe, restful and enjoyable summer break. We look forward to welcoming scholars back in September and supporting them through a successful Year 10.

Yours sincerely,

Ms G. Monteith
Head of Year 9
