

WELCOME TO AIP

WELCOME TO AIP

Dear Parent / Carer,

Alliance in Partnership (AiP) are very proud to be the chosen caterer for the school from 1st September. We are delighted to provide nutritious, healthy meals for all pupils across both the primary and secondary phases. Our aim is to offer a wide range of tasty, balanced dishes that give pupils the energy and nutrients they need to support their learning and busy school day.

AiP specialises in education catering and has extensive experience working with schools of all ages. All meals are freshly prepared each day on site by our dedicated catering teams, using quality, fresh ingredients. We operate a three-week menu cycle, offering a range of vegetarian and vegan options suited to a variety of tastes.

We understand the importance of supporting children and young people in developing healthy lifestyles. We also recognise that the dining experience plays a key role in social development, and we are committed to making mealtimes enjoyable, positive and inclusive for all pupils.

If your child has any dietary requirements, including allergies, diabetes or other medical needs, please complete a dietary requirement form or the allergen request form. These are available from the school office. Once completed, our team will work with you to ensure suitable menu options are provided for your child.

We look forward to providing your child with tasty and nutritionally balanced meals to fuel their performance throughout the day.
