

Beths Grammar School

an 11 – 18 selective school with academy status

Headteacher: Mrs A O'Donnell

1st September 2026

Dear Parents and Carers,

Student Access to the School Site from September 2026

As part of our ongoing commitment to maintaining a safe, supportive, and well-organised environment for all members of our school community, we are writing to inform you of a change to student site access arrangements that will take effect from September 2026.

From the start of the new academic year, students will be permitted to access the school site from 7.30am each morning for Breakfast; students will only be permitted into the hall at this time; all other students will be permitted onto site from 8am. In addition, all students will be expected to leave the school site at the end of the school day promptly, or no later than 4.30pm where they are attending a supervised activity such as:

- An extracurricular club or enrichment activity
- A detention
- A revision session or intervention programme
- Any other school-organised activity under the direct supervision of a member of staff

As a school, we have a responsibility to ensure that students are appropriately supervised whenever they are on site. Restricting access to times when supervision can be consistently provided helps us maintain the highest standards of safety and wellbeing for all students. For clarity, students' pass-cards will not permit them to access the school site outside of these times and any students involved in a regulated activity (supervised by a staff member) will be escorted from site at the relevant and pre-arranged time. This will of course be communicated through assemblies and tutor time upon our return in September, but we would appreciate your support in ensuring your young person is aware of this important change also.

We appreciate that this may require some families to make adjustments to their daily routines, and we thank you in advance for your support and understanding. By working together, we can continue to ensure that our school remains a safe, positive and successful place for all students to thrive.

If you have any questions regarding these arrangements, please do not hesitate to contact the school directly.

Yours sincerely,

Mr A. Jones
Deputy Head
