I would like my son to take borrow an instrument for the duration of the classes. I accept the following conditions for the loan of equipment:

- Loss or theft of the equipment must be borne by the borrower and will incur a charge for the replacement cost violin (£150), cello (£300).
- The borrower will be required to pay for repairs for any damage caused to the loaned equipment whether malicious or accidental.
- Repairs to the loaned instrument may only be carried out by the School's authorised repairer.
- The school advises that that it may be in the borrower's interest to include the equipment on their household insurance for the duration of the loan.
- Students will be placed into the relevant classes based upon their experience and ability.
